CUNARD

Explore new horizons with *Cunard Insights*

Featuring special presentations by leaders in the world of politics, history, science and the arts, our award-winning *Cunard Insights* on-board enrichment programme offers unique opportunities for engaging your mind as well as your passions. Reserve your place on a **QUEEN MARY 2** Transatlantic Crossing and expand your intellectual horizons at one of the following *Cunard Insights* events.

Literature and Liners

Engaging authors, playwrights and poets deliver fascinating lectures, Q&A's and book signings as part of this special series.

Cunard Special Relationship

This intriguing new series borrows its title from a celebrated speech made by Winston Churchill in 1946, and focuses on the exceptionally close political, diplomatic, cultural and historical ties between the United States and the United Kingdom.

Royal Astronomical Society

Enjoy a wide range of celestially-oriented events in partnership with the Royal Astronomical Society, including shows, talks and Star Parties.

The Juilliard School Jazz Series

Revel in exciting programmes featuring performers from the renowned Juilliard School.

Oxford University Press Science at Sea

Stay up to date with the latest developments in popular science with the Oxford University Press Science at Sea series, with lectures by prominent science writers.
